To allow us to understand your business and ensure that we supply a candidate that balances professional competency and the right person specification please can you answer the questions outlined below.

How many nursing clients to you have?

What is the ratio of nurses to clients?

Have you advertised for a Nurse position? Yes No

If yes, where have you advertised? Job centre Local paper

Other (please specify)

What shift patterns do you require your nurses to work?

Are there any areas of clinical expertise that you feel are vitally important for to the candidate to have? (i.e. taking blood, knowledge of peg feeds, detailed knowledge of pressure areas, ability to support a client with a syringe driver)

Are your nurses directly involved in the daily care for your residents or do they manage the care team to provide the primary care?

Do your nursing clients have any specialist care needs that we would need to be aware of to match the correct candidate for you? (i.e. advanced dementia, Parkinsons, Alzheimers, Fast Track CHC or other healthcare issues)

What are the key attributes you would like us to find in the candidate we provide?

Do you have a job description that you would be able to send us for the role? (as this aids us to ensure we match the right candidate)

Yes (if yes please can you forward a copy) No

Should the candidate be moving to your area are you able to support any accommodation that may be required? (if this is not a possibility then our service will manage this process to ensure that the candidate is ready to commence in position in the agreed date)

Are you currently looking for Senior Care Assistants? (Unicare Professionals are able to provide candidates for various healthcare related roles)

Please forward this completed form to info@unicareprofessionals.com to allow us to contact you to discuss your requirements further. Thank you.
